# Adults,

**you have the privilege of hosting! It takes all of us doing our part to put on a fun day for our littlest members. Please:**

1. Sign up to organize and host a booth to make this carnival a success! (Are you sure you'd like to host a booth but not sure of an idea? Feel free to sign your name today and write in a booth idea when the time gets closer.)

2. Spread the word to friends and family! The more the merrier!

3. Start considering costumes for you and yours. Let's make it extra fun by letting the kids (and our friends) see our sillier side!

4. Contact Mandie Cobb if you have questions or need help with ideas!
