Sabbath Thought

Ps. 9:5-7, "You have rebuked the nations, You have destroyed the wicked; You have blotted out their name forever and ever. O enemy, destructions are finished forever! And you have destroyed cities; even their memory has perished. But the Lord shall endure forever; He has prepared His throne for judgment."

Believer's Commentary explains, "Finally the earth will taste what righteous judgment is really like. Gentile oppressors will be sharply rebuked, and all Israel's enemies will sink into perpetual oblivion. They will be buried in the ruins of their vaunted civilization. Cities that now seem to be timeless will be completely uprooted. Names like Moscow, [Berlin or Beijing] will be forgotten forever."
