### *Sabbath Thought*

**Eccl. 11:1**, “Cast your bread upon the waters, for you will find it after many days.” A modern version has it, “Invest what you have, because after a while you will get a return” (NCV).

*Nelson's Bible Commentary* explains, “Eccl. 11:1-6 emphasize the element of risk and uncertainty in commercial and agricultural enterprises. Men and women must venture forth judiciously if they are ever to realize a gain, even though there is always a certain amount of risk involved.”

*Wisdom Nuggets* adds, “This suggests that we should not be afraid to take risks and invest our resources, whether they be financial, time, or talents. By putting our resources out into the world, we open up the possibility of future returns. It's a call to action, encouraging us to be proactive and forward-thinking.”

Council members should have received their information this past week.

## **SPREADING THE GOOD NEWS OF THE KINGDOM OF GOD**

On June 8, God allowed 13 people to take UCG Booklets at the Irvine Spectrum and have the opportunity to be introduced to God's Truth. Many thanks to Karen Werstiuk, Irene Larvie, Ray Roberts and Ron Guizado for helping to sow the seeds of God's truth. Our next outreach will be at Irvine Spectrum on Sunday, June 29, from 1:00 to 5:00 pm.

## **NEXT SOUTHWEST REGION PROPHECY CLASS VIA ZOOM THIS COMING WEDNESDAY, JUNE 18, AT 7:00 P.M. PST**

Our 11th Class presented by Darris McNeely will be this coming Wednesday at 7 p.m. Try to join 10-15 minutes early. The three presenters are Darris McNeely, Scott Ashley and Robin Webber. The future classes planned are:

**June 18** - (Class# 12) **Robin Webber**-- "*The 144,000" & You*" What may we glean from Revelation 7 & 14 that was not only written for the future, but for very real people down through the ages from the 1st Century till now. Written for "Saints of God" who in real time ---their time---have been faced with very real challenges, with a very real God-- "The Living God"! One who watches over the lives of His saints by not only interrupting human history, but our daily personal lives.

**July 2** -- (Class 13)--Scott Ashley---to be determined
