### Sabbath Thought

**Eccl. 11:4**, “He who observes the wind will not sow, and he who regards the clouds will not reap.” A modern version puts it, “There are some things that you cannot be sure of. You must take a chance. If you wait for perfect weather, you will never plant your seeds. If you are afraid that every cloud will bring rain, you will never harvest your crops” (ERV).

*Believer's Commentary* notes, “It is possible to be too cautious. If you wait till conditions are perfect, you will accomplish nothing. There are usually some wind and some clouds. If you wait for zero wind conditions, you will never get the seed into the fields. If you wait until there is no risk of rain, the crops will rot before they are harvested. The man who waits for certainty will wait forever.”

## BIBLE STUDY HANDOUTS AVAILABLE ON OUR LOCAL CHURCH WEBSITE

The Old Testament Bible Study handouts are now available under the Announcement section of our local church website (orange-county-ca.ucg.org and usual password).. There are currently 78 files in a downloadable folder. These OT Bible Studies were given from January 2002 to April 2009 when there was the change to cover the New Testament. The NT Bible Studies will be available after today's Bible Study. These folders will be updated periodically as new content becomes available.

The filenames list the date the study was given, the Book & Chapter and the issue number. Instructions to have access are given in each announcement. The file can be printed after the download. For any questions, see Mike Masten.
