Sabbath Thought

Eccl. 12:2, “While the sun and the light, the moon and the stars, are not darkened, and the clouds do not return after the rain.” A modern version has it, “Remember him before the light of the sun, moon, and stars is dim to your old eyes, and rain clouds continually darken your sky” (NLT).

The Bible Knowledge Commentary notes, “Using various figures to depict the declining joy and waning physical powers of old age, Solomon advised responsible living before old age sets in.” Here it talks about how your sight becomes duller and hindered by cataracts or glaucoma.

HOW TO GET CURRENT INFO FROM UCG

The Home Office has more information that can be readily available to our membership. About once a week, often on Thursdays, the Home Office sends an email to those who have subscribed to this service with links to the United News, *Beyond Today* info, the Home Office Weekly Update and other current information including sermons and articles. This is a way to catch up on the latest happenings and information from the Home Office.

If you want these updates, you need to sign up and then they will be emailed to you automatically. This should be an easy process and then you will be in the loop with current info from UCG. The link is: <https://www.ucg.org/subscribe-to-email-updates>
