Sabbath Thought

Eccl. 12:3, “In the day when the keepers of the house tremble, and the strong men bow down; when the grinders cease because they are few, and those that look through the windows grow dim.”

The Bible Knowledge Commentary explains, “Solomon compares the human body to a house. There comes a time when the keepers of the house tremble (the arms and hands grow weak). Also, the strong men stoop, that is, the back and legs grow bent and feeble. The grinders cease because they are few refers to the teeth becoming fewer, and those looking through the windows grow dim refers to the eyesight beginning to fail.”

HOW TO GET CURRENT INFO FROM UCG

The Home Office has more information that can be readily available to our membership. About once a week, often on Thursdays, the Home Office sends an email to those who have subscribed to this service with links to the United News, *Beyond Today* info, the Home Office Weekly Update and other current information including sermons and articles. This is a way to catch up on the latest happenings and information from the Home Office.

If you want these updates, you need to sign up and then they will be emailed to you automatically. This should be an easy process and then you will be in the loop with current info from UCG. The link is:
