Festival Planning Brochure: Annually, the "Festival Planning Brochure" has been produced to identify the locations for the Feast of Tabernacles and also share helpful articles, hotel recommendations and instructions for registering. This publication was mailed to all member households arriving in early April.

While it has served as a convenient and useful tool for planning, updates and corrections have often become available after it was printed. In addition, most members now have internet access and rely primarily on the Feast of Tabernacles webpage for information. Therefore, a decision has been made to print a summary of Feast details in a special section of *United News* and post the rest online. The 2026 Feast of Tabernacles information is currently being posted online at feast.ucg.org.

Members who don't have access to the internet will be assisted by their local congregation's festival advisor. You can also call the Home Office, and you will be directed to somebody who can help.

Beyond Today Schedule: *Beyond Today* programs can be viewed on THE WORD Network (altafiber Elite Channel 263, Spectrum Silver Channel 386) at the following times: 9:00 a.m. and 11:30 p.m. on Saturday, 3:00 p.m. and 6:00 p.m. on Sunday, and 2:00 a.m. on Wednesday. The programs can also be viewed on-demand on dedicated *Beyond Today* television channels on Roku, iOS devices, Android devices, Amazon Fire TV, LG Smart TVs, Samsung Smart TVs, YouTube, Vimeo, Wii and Xbox. You can always watch the program online at our website <http://www.ucg.org/beyond-today/television>.
