Workshop – “Find Your Best Voice,” 8/23: Have you been singing or wanting to sing but haven't felt you knew how to best hone your skills? Do you feel singing praises to God is a good thing but feel inhibited or unsure about your voice? Have you been singing in the choir and are now interested in singing in small groups, but you wonder how your voice will best blend with others? Do you know your vocal range or which key signature is ideal for your voice?

If you have any questions about the musical instrument God has given to you - your voice - then join us for a voice workshop. Save Sunday, August 23 – likely 2-4 p.m. – for our workshop here at the Home Office. More details to follow.

Feast of Tabernacles:

- **Children's Choir Music Available for Download** – The Festival Children's Choir music is now available for download on the UCG website. Simply click the link below to access the music, lyrics and guidelines: <https://www.ucg.org/childrens-choir-music>. The page includes the Children's Choir guidelines, vocal and instrumental recordings of both songs, and lyric sheets.

Parents, please review the guidelines and ensure your children have both songs memorized before arriving at the Feast. Children are expected to know the songs by heart so rehearsals can focus on singing together rather than learning the music.
- **Music Volunteers Needed** – Special music is one of the highlights of the Feast of Tabernacles, adding inspiration and encouragement to our worship services. If you are a musician, we invite you to use your talents to praise and serve God and to edify your fellow brethren during the Feast.

Ephesians 5:19-20 encourages us to speak to one another "in psalms and hymns and spiritual songs, singing and making melody in your heart to the Lord, giving thanks always for all things to God the Father in the name of our Lord Jesus Christ." Musicians are needed to help make each Feast site's music program successful. Whether you sing, play an instrument, accompany others or can serve in another musical role, please consider volunteering.

When registering online for the Feast, select the "Music" volunteer option and indicate all the ways you may be able to contribute. You may also contact the music coordinator listed for the Feast site you plan to attend. If you have already volunteered online but have not yet heard from the music coordinator, please contact him or her directly for more information. The Feast Music Coordinators are listed at: <https://www.ucg.org/newest-updates/music-volunteers-needed>.
- **Feast Planning** – If you need assistance with registration or reservations for the Feast, please contact your Festival Advisor: Caleb Creech for AM (caleb_creech@yahoo.com, 816-810-2905), Ken Japhet for PM (ken.japhet@gmail.com, 503-507-7770) and Doug Knuckles for North (doug.knuckles@gmail.com, 513-317-1671).

Beyond Today Program: The Beyond Today program is available through our app on Roku, Apple TV, Fire TV, and other connected TV platforms, as well as our YouTube channel.

If you haven't already done so, download the *Beyond Today* app on your mobile device from the Apple App or Google Play Store. You'll find not only *BT* episodes, but also ABC classes, sermons, seminars and other biblical content. As always, you can access this content via our main website, <https://www.ucg.org>.
