Sabbath Thought

Ps. 8:1, "O Lord, our Lord, How excellent is Your name in all the earth, Who have set Your glory above the heavens!"

Believer's Commentary brings out, "God's majesty is evident in all creation, if a person only has eyes to see it. Every area of natural science teems with evidences of the wisdom and power of the Creator. God's glory is higher than the heavens. The planets, the stars, the limitless universe give only a partial view of how very great God really is. Yet sophisticated men shrug off the evidence as if it didn't exist."
