**Bible Reading Program – Book of Ecclesiastes Available!** We are pleased to announce that the Book of Ecclesiastes has been completed and is now available in the Church's Bible Reading Program (BRP). We are sorry for the extensive delay, but now the Old Testament is complete.

Research and writing has been underway for New Testament readings for some time now, and we plan to release the Gospels section when research, writing, doctrine review and editing is complete. But, please be patient. There is a lot of material to cover in the Gospels!

You can access Ecclesiastes in our Bible Reading Program online at [bible.ucg.org/bible-reading-program](http://bible.ucg.org/bible-reading-program). Please note that only the PDF version is currently available, not the HTML.

While Ecclesiastes is titled as the "August 2018" program, please feel free to read it and study your Bible at your own pace--since there is an extensive amount of material to cover. The Book of Ecclesiastes has been traditionally read during the Feast of Tabernacles by God's people in biblical times. Therefore, we recommend that you cover the material prior to the Feast this year to get the full context.

Please note that the entire Bible Reading Program is still hosted online on an old server and lacks a lot of functionality. But, plans are underway to develop a brand new BRP interface that will eventually make your study and research much easier. We appreciate your patience and understanding as our team begins work on a new online layout for the program.

All the best studying the Book of Ecclesiastes!
