Beyond Today TV - UPDATE: WGN-America

Now that we have begun our new airtime for Beyond Today Television on WGN-America (WGN-A), we would like to give you a few more details. God has greatly blessed our media efforts in this regard. Not only were we able to negotiate the new Sunday morning time (8:30 a.m. ET/PT) at a substantially lower cost than when we were on WGN-A a number of years ago, but we also received the Saturday morning (5 a.m. ET/PT) air time as a no cost bonus! *Our agency tells us that no other organization has been offered this before.* With 82 million households receiving WGN-A, certainly there is a wide audience, and DVR recording by many viewers expands viewership even more. We thank our great God for this exceptional blessing, and ask that we all continue to pray for our Father's blessing upon all our media efforts.-- Peter Eddington, Media and Communications Services

WGN America (view on cable): Saturday 4:00 a.m. CT; Sunday 7:30 a.m. CT

Peanut Allergies – Fragrance Free Zone

We have one in our fellowship that can have such a severe reaction to peanut products that it could cause hospitalization or even death. Those with fragrance issues have a hard time breathing and other very unpleasant reactions. Let's redouble our efforts to serve those in these situations with the loving care that the Chicago Church is known for.

Prayer Requests: No new updates as of this e-mailing.
