Dear Mr. Martin:

My name is Amity House. You already know my shelter and the resources we provide women, men, and children escaping domestic violence. Families from different backgrounds come to us with expected hopes for a brighter tomorrow. It is our passion to provide a safe and comfortable place for them to heal. The support of your church members during the Feast of the Tabernacles makes a valuable difference in the lives of our survivors. The list below reflects the current needs of the shelter and our families:

- Twin comforters and sheet sets

- Hand sanitizers
- Toilet paper and paper towels
- Lysol and sanitizing wipes
- Toasters and microwaves

Forever grateful for your continuing support,
