Youth Instruction Family Study Guides Update

Pastors and Youth Instructors: the latest Family Study Guide, *God's Fruit of the Spirit, Self-Control* (temperance) is ready for your use. In this Study Guide we review self-control, which involves struggling against our human nature, our thoughts, emotions and habits, and bringing them into obedience to God's laws and teachings. We examine where and how self-control is needed in daily life and show how our example, Jesus Christ, used self-control. Additionally, we identify the tools God gives us to grow in self-control and how to create a plan to use them.

You can find the Guide on the [UCG Family Study Guides](#) webpage or in the [UCG Family Guides Dropbox](#). Please let us know if you have difficulty locating them. We hope that your family continues to find value in the UCG's Youth Instruction Family Study Guides.
