[Future Regular Chicago Services In-Person Attendance](#)

Those who have not begun to attend in-person services and who would like to begin attending please contact Mr. D regarding your wishes. We do have Kettering Hall (our main hall) and an overflow room upstairs that are available to us. But we need to know how many are planning to attend so that we can properly set up the hall(s) for social distancing purposes.

[Fall Holy Day Chicago In-Person Services Attendance](#)

The fall holy days are just around the corner. We do need to know how many are planning on coming to these annual high days so that we can properly plan. Please see the above item in regard to our planning. Again, please contact Mr. D to let him know your wishes.

[Feast Mailing Labels](#)

Typically we print labels with the names and addresses of those not attending the feast. As with everything else Covid is making this more complicated. With Covid as a concern, perhaps it is wiser not to send mail to those who are older or in less than perfect health. The CDC reports the virus can last from minutes to 5 days on paper. People licking envelopes seems potentially a higher risk. So this year we ask all desiring to receive mail to let Mr. D. know. We would like to have labels ready for distribution by Trumpets.

[1 Peter Bible Study and 1/2 hour Fellowship](#)

As in the past we will have a 11:30 am -12:00 online fellowship time using the zoom link. Bring your coffee or favorite hot drink and say hello or wave to other members. The study will begin at 12 noon with the target of finishing at 12:45 pm. See attachment for connection information. There will be studies on both Trumpets and Atonement.

Speaker's Schedule October-December 2020

All of you who are on the speaker's list please let Mr. D. know which dates in the last quarter of the year are not good for you to fulfill an assignment. There is a special need for sermonette men for Beloit. Please let me know if you are available to serve there and how frequently in the last quarter.

Peanuts

Brethren, a friendly reminder that you not bring peanuts/nuts or related products to services for the snack table. We do have at least one attendee who could be severely affected by coming into contact with these products. Thank you for your help in this matter - it is very much appreciated.

Prayer Requests:

Tony Dukes. Tony has now been in the hospital for over six weeks. Tony will continue on with his therapy until he is ready for release from the hospital.

Lorre Kleier is in Good Samaritan Hospital. The early thinking was that she had pneumonia but that wasn't the case. After testing it was found that she has issues with her blood. Lorre is in good spirits and appreciates your prayers. One visitor at a time is allowed currently.
