Prayer Requests:

From Andrea Brock. Andrea wanted all of the brethren to know that the Brock household is COVID free! The Brock/Barbush families thank God for His merciful intervention. They also want to thank all of you for your fervent prayers on their behalf.

Lillie Robinson (Marilyn Anderson's sister). Last week Lillie fell at home and was taken to the hospital complaining about sever pain in her hip and back, she was kept overnight for observation and also to see if here was anything broken, thankfully there was nothing found. Since being returned to her home Lillie has been very lethargic and not eating, also, she has been unable to bear any weight on her left side and her left arm has been shaky and she is unable to get a spoon to her mouth. Yesterday the doctor came to examine her and said that it is possible that she has had a stroke, although an MRI would be needed to verify that.
