Funding the Beloit Church

The Beloit Church currently has a negative cash flow. We are in no immediate danger of running out of money to take care of our local needs. However, if we wish to maintain our current buffer of reserve we would enjoy your financial support. As has been the case since the starting of United Church of God, you have options of where to send in your tithes and offerings:

- The Home Office
- The Beloit Church
- Some combination of the two above.

Pre-printed envelopes are available for you. If we have run out the address to send your local contributions is:

BMO Harris Bank
Perryville Branch
3202 N. McFarland Road
Rockford, IL 61114

August 21 – “Brown Bag” Social

On this Sabbath we will be bringing our own food and beverage and eating together after services. The goal is for us to have a relaxing time of fellowship after services. You may consider this a late lunch or an early dinner. You may just consider this snack time. Bring whatever you want or just come yourself without a need to bring any food. But enjoy the company of your Beloit brethren!

Prayer Requests:

Gary, Kim Petty and Murfreesboro Congregation

Gary Petty reports: “I was finally sent home from the hospital today. A number of the nurses and doctors told me that I was a ‘blessed man’ because my COVID could have been much worse than it was. It has been a difficult illness and I am still very weak.” Gary’s wife, Kim, also had COVID-19 but was not as seriously ill. She is also doing better.

Regarding the other members of the Murfreesboro congregation, the status changes daily but most are at varying degrees of recovery from ages 22–84. We have 25 affected that we know of. It’s been difficult to find out exactly who is sick. Those who

were hit harder are farther behind in recovery. One member in her early 50s was hit hard; her mother also had a tough time. Leo and Barb Sancho are in their 80s and having a tough time. One member, Don Smith, did not survive; he was about 83—but a pretty robust 83. Another member age 83 recovered well and was canning tomatoes a week later; he was vaccinated, but whether that helped or not, time will tell. We think that in total about 55 percent of the members in the congregation have been affected.

Thank you for your prayers for the Pettys and our precious little congregation.
