

Three Year Chronological Deep Dive Reading Program – Week 18
Remarks... from Pastor, Troy Phelps

CATCH UP WEEK

PERCENT OF BIBLE COMPLETED: 9.6%

I hope each of you have been enjoying the study through Exodus and hopefully gaining a deeper understanding of God's Word!

As I began to write this week's study, I came to the realization that I needed to do my own deep study into the various offerings of God and the deeper meaning contained within these verses. I have spent all week reading and learning, and have spoken to several men on the phone that I know have spent considerable time studying these offerings, however I have not been able to do the weekly reading for next week. Therefore, I will not be sending a reading for this upcoming week. For those who are behind in the reading, it will give you a week to work toward catching up.

I'm hoping this extra time I have taken this week for education will pay rewarding dividends as we continue our study next week and beyond.

Warm regards to you all,

Troy Phelps
