Current Number of email addresses in the group: 599

I hope you each had a great study week. This week we will finish the book of Joshua so that we can start the book of Judges next week. There is an old saying that says “How do you eat a whale?” “One bite at a time.” Ignoring the fact for a moment that whales are unclean and we don’t eat them, this has been our approach to this Bible Study! Day after day, one step (one bite) at a time, we are devouring and digesting this great fish (Jonah). How wonderful to have this book so we can learn and grow and prepare for the Kingdom of God! I hope your study of Joshua finishes up well!
