

Darris McNeely, Steve Myers, Gary Petty — TV Presenters

February 2017

Dear *Beyond Today* subscriber,

I would like to remind you of our *personal invitation for you to attend an exciting live event—one that will change how you understand what is happening in our chaotic and dangerous world.*

You may wonder what lies ahead for America and for all of us? We have a new president who promises to make America great again. A very dangerous world awaits to see how President Trump will govern. He is already signing far-reaching and controversial executive actions. Will Russia and China test his words and resolve? Will Islamic terrorism attack America's homeland again?

Beyond Today has been showing you the critical importance of these events and how they will affect the future of America and our world. *Bible prophecy gives understanding about today's world, and this is what we have been presenting to you on the air and in our publications.* God is presently "shaking the nations" (Haggai 2:7, 21-22)—an unprecedented event in our time. Our world is changing and this is important to your life. *It's time you more fully understood God's plan for your life. His eternal spiritual purpose is on schedule.*

I will be coming to your area, along with my fellow *Beyond Today* presenters Darris McNeely and Gary Petty. We would like to meet you and explain God's purpose for your life. Now is the time for you to hear a strong, positive message that can benefit you and your family.

Our special event, *America: The Time Is Now!* is coming to Kansas City on March 19. **There is no admission cost.** Please sign up for your tickets now at www.beyondtoday.tv/letter. Here are the details for you to put on your calendar:

3 p.m. Sunday, March 19
Holiday Inn & Suites
8787 Reeder Road
Overland Park, KS 66214

We encourage you to get your tickets and also bring a family member or friend with you. A special edition of our *Beyond Today* magazine and a themed notebook will be distributed as gifts to all attendees.

We look forward to meeting you.
